This whole thing is a fiasco. First of all, it trivializes real rape, it makes a mockery of due process and it gives any woman the power to just accuse you of rape without proof.

This is the best article on the Cosby case that I have read yet. I entirely agree with the idea that Gloria Allred has been the primary organizer of the conspiracy and one of her main goals (besides stealing 20 or 30 million dollars from Cosby) is to have the statute of limitations on so called "sex crimes" removed, so she and her lawyer pals can enjoy unlimited riches.

This sums up the madness created by madness. They're all gold digging lying hoes.

doesn't become  
right & evil doesn't  
become good, just
