Eight short plays, all 600 seconds long will be premiered on **Saturday 19 February 2022, Upstairs at the Sydenham Centre.**

Fans of The Twilight Zone or Black Mirror will love these pieces - an eclectic mix of comic, dramatic, surreal and quirky playlets about the impact of technology on near-future society. Staged 'script in hand' with regular Spontaneous performers, expect to be whisked away into a world where anything can happen...

“Sydenham’s scratch nights have become an institution... always so much fun, and brilliantly acted and directed.”
