## AN OPERA ANYWHERE CHRISTMAS FOR ALL THE FAMILY

The tender heart warming story of Amahl & The Night Visitors is one of the most popular of American operas. It is performed internationally every Christmas season and remains one of the most frequently performed operas of the twentieth century.

Expressly written for television it premiered on NBC on Christmas Eve 1951 and was repeated thereafter for sixteen Christmas seasons. It has become an annual tradition for many in the US to view this magical, musical production featuring the poor crippled shepherd boy, his devoted mother and the knock on the door which changed their lives forever.

Amahl & The Night Visitors is less than an hour long and is preceded by a selection of humorous songs by Edwardian composer Liza Lehmann which includes settings of Hilaire Belloc's cautionary tales and Lewis Carroll's nonsense poems.

Opera Anywhere hopes that its special pricing concessions for children and young people will encourage families to come and enjoy a performance of fun and thoughtful Christmas reflection.
