

# BE THE HERO AND EXPERIENCE BRIGHTON IN A NEW AND THRILLING WAY!

With our themed, interactive puzzle rooms you and your team will delve deep into Brighton's colourful past, working together to overcome testing challenges and save the day.

We have a variety of themes to explore, all based on golden eras in Brighton's rich history.

## WHAT IS AN ESCAPE ROOM?

Escape rooms are 60 minute treasure hunts that are whirlwind medleys of excitement, tension and thrill. You and your team must work together as a unit whilst having your grey matter, logical thinking and dexterity all challenged.

## WHO'S IT FOR?

Escape rooms really are for everybody and all ages. Whether it's a family affair, a team building event, a birthday celebration, a stag or hen do or a date night, we'll have a theme that will cater to your group.
