

# We're the gym for everybody

Whether you need a monthly membership without a contract, a day pass for a one off workout or a membership that's paid in advance to keep you motivated.

You can choose a membership that's right for you.

## No contract

No ties, just the complete freedom to leave whenever you want to. You can even freeze your membership if you fancy a break.

## 45 gyms across the city

With more gyms in London than anyone else, you can choose to work out in one or all of them with our multi-gym memberships.

## Top quality kit and classes

With over 2,000 FREE classes a week and a huge range of kit there's nothing holding you back.

## Open 24 hours<sup>†</sup>

Early bird or night owl? Work out whenever it suits you – we're always open.
