HAPPY EASTER

At Holy Trinity SE20 would like to wish you a very happy Easter.

Spring is a time for thinking about new life. Jesus' death and resurrection is the central message of the Christian faith, which if not true causes the whole thing to implode. Over the coming weeks we have got a number of events occurring and we would like to take the opportunity to invite you to explore and experience the difference Easter makes today for those follow Jesus in their lives.

Living Well Bromley

The Easter message is one of hope, new life and ultimately resurrection. At Holy Trinity SE20 we do not believe this to be "pie in the sky when we die," but rather something which makes possible a living relationship with God which then makes a tangible difference to our daily lives now (as well as eternity).

As part of our response to God's love for us in the person of Jesus Christ, we run a charity called Living Well.

Living Well is a caring community which aims to be a place where people feel accepted, loved and valued. We work with our partners to provide free support to people with different needs – including social isolation, addictions, mental health problems, debt or homelessness – in Penge and the surrounding areas. It involves a food bank, community meal, art therapy, music therapy, community garden and much more. Everyone is welcome, whoever they are.

If you would be interested in finding out more or volunteering, please do not hesitate to contact us on the details overleaf.
